* Construction is defined as a discretionary project longer than two days and/or requiring more than three vendors. Construction projects may be subject to a separate agreement, may require a 50% deposit, and depend on availability of resources, which are separate from Home Care and Repair. Third party services are subject to a bid, unless consent is otherwise granted by a member. Goodsmith oversees all third-party jobs.

GOODSMITH

HOME CARE & REPAIR

ANNUAL MAINTENANCE PROGRAMS FOR MEMBERS ONLY

We've developed two preventative maintenance plans exclusively for our members. Our goal is to provide a simple, effortless program to tackle home care basics. Maintenance programs are billed in advance. Goodsmith provided materials (e.g., filters, bulbs, and batteries) and extra charges (e.g., additional water heaters and HVAC units) billed at time of service.

PLAN 1: 2 visits, 9 tasks, \$550/yr

	Visit #1	Visit #2
Change HVAC filters and clean primary drains and return air vents <i>Includes 2 units, additional units \$30 each per visit, filters billed separately</i>	✓	✓
Change light bulbs as needed <i>Bulbs billed separately, replacements over 14' high may be subject to additional fees</i>	✓	✓
Visually inspect sinks, toilets, fixtures and drain assemblies for leaks <i>Repairs not included</i>	✓	✓
Change smoke and CO detector batteries <i>Batteries billed separately</i>	✓	
Flush water heaters <i>Includes up to 2 tank or tankless heaters, additional heaters \$75 each</i>		✓
Clean dryer vent <i>Includes one dryer, additional dryers \$75 each</i>		✓

PLAN 2: 4 visits, 21 tasks, \$1,200/yr

	Visit #1	Visit #2	Visit #3	Visit #4
Change HVAC filters and clean primary drains and return air vents <i>Includes 2 units, additional units \$30 each per visit, filters billed separately</i>	✓	✓	✓	✓
Change light bulbs as needed <i>Bulbs billed separately, replacements over 14' high may be subject to additional fees</i>	✓	✓	✓	✓
